

Checklists: Symbiota's help pages

Some of these are videos.

1. Overview: <https://biokic.github.io/symbiota-docs/user/checklist/> - a video overview of capabilities within the checklist tools.
2. Create a checklist: <https://biokic.github.io/symbiota-docs/user/checklist/create/> text-based presentation.
3. Adding names to a checklist: <https://biokic.github.io/symbiota-docs/user/checklist/add/> 2 videos, one for adding names individually, one for batch uploading names, plus some written explanations.
4. Adding vouchers to a checklist: <https://biokic.github.io/symbiota-docs/user/checklist/voucher/>.
NOTE: Can export to Pensoft format. A valuable ability.
5. Exporting checklists: <https://biokic.github.io/symbiota-docs/user/checklist/report/> Shown in video of #4, but this is print version.
6. Voucher conflicts: <https://biokic.github.io/symbiota-docs/user/checklist/conflict/> Text version of something discussed in video of #4.
